

**Growing your non profit niche  
one lead at a time.**

Flashpoint Marketing provides customized lead generation solutions for the non profit services niche.

Flashpoint Marketing has significant experience identifying, positioning, and helping firms close non profit opportunities. We understand the diverse set of organizations classified as non profits and will professionally represent your firm to key members of management and Board members. Whether your firm is seeking to target 501(c)3 or 501(c)6 entities our process, professionals and program create the foundation for successful growth.

If you are looking to grow this portion of your practice then contact us today.
