

**Seeking new direction in business development efforts?  
We provide proven strategies for identifying qualified SEC opportunities.**

Flashpoint Marketing provides customized lead generation solutions for the SEC services niche.

Our professionals have over ten years experience identifying, qualifying, positioning and helping firms close public company opportunities. We understand key concepts relating the assurance, tax and advisory process and have unique knowledge of effective pursuit strategies. Whether your firm services 5 or 50 registrants our process, professionals and program create the foundation for meaningful growth.

If you are looking to grow this portion of your practice then contact us today. For additional information on our SEC niche please visit [www.flashpointmarketing.biz/SEC.pdf](http://www.flashpointmarketing.biz/SEC.pdf) or contact us at [info@flashpointmarketing.biz](mailto:info@flashpointmarketing.biz).
